

# Career Aspiration Talk in University of Malaya, Mechanical Engineering Dept, Celebration of International Women's Day

8<sup>th</sup> Mar 2024

- The Mechanical Engineering Department of University Malaya has invited Dr Eu Poh Leng to share her career aspiration in Semiconductor Packaging, in conjunction with the **celebration of International Women's Day**.
- It's a small group sharing with **~35 students**. Dr Eu shared her secret of success throughout the 27 years of working in Semiconductors Packaging Industry.
- Students were very engaged and asked many questions. **Dr Eu has provided many examples of life experiences** to encourage and inspire the students in order to be a good engineer and to be a blessing to the world, making the world a better place.
