

# IEEE EPS as Panelist in 21<sup>st</sup> EURECA, Taylor's University Malaysia

24<sup>th</sup> July 2024

- Taylor's University Malaysia has organized 21<sup>st</sup> EURECA International Engineering Research Conference at its beautiful campus in Petaling Jaya. IEEE EPS Chair, Dr Eu Poh Leng has been invited as a panelist in a Panel Discussion on Sustainability Technologies to Decarbonize Malaysia and the World. The session was moderated by Prof Dr Ong Kian Ming.
- Along with another 5 male panelists, Dr Eu was humbled to be the only female panelist. It was a very fruitful discussion and well attended by > 120 participants.
