

IEEE EPS with Onsemi International Women in Engineering Day

20th June 2024

- Onsemi Malaysia, particularly the Wafer Fab organization under the leadership of Mr Michael Phoon, has organized a very meaningful event in Seremban Royal Chulan Hotel, celebrating International Women in Engineering Day, on the evening of June 20th 2024. Chair of IEEE EPS Malaysia aka Senior Director of NXP Semiconductors, Dr Eu Poh Leng was invited as a special speaker and a panelist for the panel discussion on women in engineering and career aspirations.
- About 50 participants joined this wonderful event with very good sharing, networking and engagement between the participants and speakers.
